Ratings & Review

2006

The "overstuffed sandwiches could feed a small country" at this Merrick deli known for "fresh hot pastrami" and "terrific matzo ball soup", as well as "less ethnic" Eclectic fare, in "modern digs"; it reminds some of a "real NY deli – it even comes with attitude" – and those who remember the legendary Kew Gardens original will be thrilled to know its original owners are back and doing renovations here.
